

M N Srinivasu

Vasu is a Director and a co-founder of BillDesk, a fin-tech company that is today, India's largest Payments Technology and Services Company.

Today, BillDesk's services are used by India's largest banks and businesses institutions across diverse industry segments; and the platform processes a dominant share of the online transactions that are conducted through payment gateway and aggregator platforms, in India.

Within the insurance industry, the BillDesk payments platform is used by over 40 members across Life, Health and General Insurance categories, to receive payments from policyholders across multiple channels using **any** Card, Banking Account or Wallet.

Vasu holds a PGDM from IIM Ahmedabad. Prior to founding BillDesk, Vasu worked with ITC Limited and Arthur Andersen.
